

Revolution is a **world-class application management platform** that simplifies your merchants' journey when onboarding.

- ▶ **Launched in 2013;**
- ▶ Integrates the ability to **search and validate merchants' company data;**
- ▶ **End-to-end application process;**
- ▶ **Direct submission to acquirers** for decision-making;
- ▶ Improved process **accuracy and speed;**
- ▶ **Designed to handle increasing levels of AML and CDD** regulation to manage fraud and risk;
- ▶ Manages 40% of all **UK merchant onboarding;** and
- ▶ New **analytics and gateway** capabilities.
